About the Day

Connect and collaborate on topics of interest to women engaged in the skilled trades and their allies, friends and colleagues. Topics will include cross craft exchanges of process, program overviews, insights and recruitment and retention strategies. Some gender specific sessions will be offered. Partner organizations are welcome to attend and offer guidance and information for their members.

TOPICS

Allyship Strategies and Language

National Report: Trades, benefits and areas of challenge

"Be that One Guy" Award winning program Overview

Inclusive Contract Language & Process

Case Study: Successful Pregnancy Integrations

Craft Specific Huddle
Benefits and Process

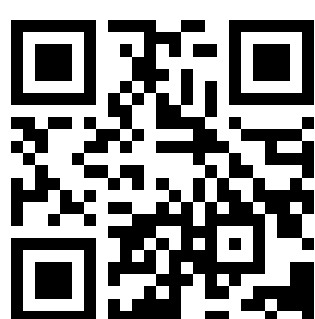

Jobsite NARCAN Initiative

Childcare and Eldercare - Imperfect but Evolving

Case Study: Women populate successful Returning Citizens program.
